We told you that NAOHSM was on the move and we meant it. But the mission of its successor organization, the National Association of **Oil & Energy Service Professionals**, builds on NAOHSM's more than half century of accomplishment. OESP remains "Dedicated to the advancement of all energy service professionals" through Education and Support.

OESP represents service pros like you: Installers, sales people, owners, managers and technicians of heating, HVAC and plumbing companies. We are dedicated professionals who strive to deliver energy-efficient products and services to our customers each and every day...just like you. Won't you join us?
